

Welfare and Self-Reliance YSA LEADER Orientation

All stake and ward leaders with responsibility to care for those in need are invited to participate virtually.

**Wednesday, October 4, 2023
8:00 – 9:00 pm**

Using an example of a hypothetical individual dealing with a number of challenges, we will walk through how we can use the following tools and resources to minister and help.

- Self-reliance Plan form
- The new Welfare & Self-reliance Tool Kit
- The Welfare & Self-reliance Resource Booklet of Church Resources
- Church websites
- Community Resources
- Resources available through BYU and UVU

It is our hope that those who participate will see how we can use these tools and resources as we strive to fulfill our divinely appointed responsibility to care for those in need.
